

RYAN BARROGA

Full Stack Engineer & Web Designer

skater.ryan11@gmail.com | Portfolio: ryanbarroga.li2.cc | GitHub: github.com/ryanhandsome200-glitch

PROFESSIONAL SUMMARY

Results-driven Full Stack Engineer with over 10 years of experience creating visually stunning, user-friendly websites, complemented by 5 years of specialized expertise in modern front-end and cross-platform mobile frameworks including React JS, Gatsby, Angular, React Native, and Kotlin. Adept at blending artistry with cutting-edge technology to deliver scalable, high-performance applications and e-commerce solutions. Proven ability to elevate brand identity and UX/UI design while ensuring robust technical execution.

PROFESSIONAL EXPERIENCE

Lead Full Stack Engineer (Freelance)

Present (10+ years)

Ryan Barroga Consulting

- Architect and deploy modern web and cross-platform mobile applications utilizing **React JS, React Native, Angular, and Gatsby** to create high-performance user experiences.
- Integrate **Kotlin** for robust Android mobile components and backend services, ensuring seamless cross-platform functionality.
- Design and develop custom-tailored, responsive layouts and complete brand identities (logo design, color palettes) with HTML, CSS, and modern JavaScript frameworks.
- Develop specialized marketing suites, technical components, and robust WordPress sites using Elementor for various clients, including comprehensive solutions for HVAC repair and service-based businesses.
- Deliver end-to-end UX/UI design and e-commerce solutions, constantly iterating based on feedback to maximize conversion rates and user engagement.

Web Developer / Designer

2023

Abella Italian Kitchen

- Designed and developed a custom, responsive website tailored for the hospitality sector, focusing on modern UI aesthetics and mobile accessibility.

Web Developer / Designer

2018

BBL Builders LLC

- Led the digital transformation for a construction sector client by engineering a responsive website to showcase their services and portfolio effectively.

Web Developer / Designer

2011 – 2012
